

ARCHAEOLOGICAL ANTHROPOLOGY ANNUAL CHECKLIST

For Ph.D. Graduate Students and their Advisors

This form is to be completed annually. It is suggested that in the first year it be done by the second semester; in the second year, towards the end of the first semester or the beginning of the second; and in the third year, early in the first semester. After the first year, the student should bring an unofficial transcript to the meeting in which they complete this list. The advisor and the student should each keep one copy in their files and return the original file to the department office. **Use the checklist on the next page to track progress toward fulfillment of requirements.**

Student's Name _____ Student ID _____
