

Linguistic Anthropology

Annual Checklist for Ph.D. Graduate Students and their Advisors

This form is to be completed annually. In the first year, it is suggested that the student meet with an advisor in the second semester to fill out this checklist. After the meeting, the student should make a copy for the advisor and turn in the original to the office. Thereafter the student should meet with his/her advisor in the second semester of every year to complete this checklist. After the first year, the student should bring an unofficial transcript to the meeting in which this list is completed. After the meeting, the student should make a copy for the advisor and another should be turned in to the office. The Advisory Committee should be formed and meet in the second year, and participate in advising the student. *Use the checklist on the back of this form to track progress toward fulfillment of requirements.*

Student's Name _____ **Student ID** _____
